

# Common Measures

## Common Message

**OSMIS CHANGES**

# Establishing Common Measures

- Effort led by OMB as part of President's Management Agenda
  - Linking performance to budget
  - Supporting effective programs
  - Comparing similar programs across agencies
- Includes six federal departments

# **The Common Measures**

## **Adult Measures**

- Entered Employment
- Employment Retention
- Average Earnings

# The Common Measures

## Youth Measures

- Placement in Employment or Education
- Attainment of a Degree or Certificate
- Literacy or Numeracy Gains

# Common Measures Benefits

- ✓ Focus on the core purposes of the workforce system
- ✓ Break down barriers to integration
- ✓ Resolve questions regarding consistency and reliability of data
- ✓ Reduce confusion

# Common Terminology

Participant = Enrollment = Registrant

Activity = Service = Transaction

# Creating New Records After Conversion

Co-Funded Service centers:

If a WP record is created a WIA (Pre-WIA) record will be created

# Creating New Records After Conversion

Co-Funded Service centers:

If a WIA record is created a WP record will be created

# Creating New Records After Conversion

Co-Funded Service centers:

If a TAA record is created both a WP and WIA (Pre-WIA) record will be created

# Exit from the System

- ❖ The system will now Exit all Records
- ❖ The Exit will occur 90-days after the latest activity has ended and there are no GAPS or Future Services planned
- ❖ For concurrently enrolled participants all records will have the same exit date.

# Reports

A new report will be created to list those individuals who are approaching the 90-day Exit limit.

# Conversion Schedule

- November 6<sup>th</sup> – Common Measures changes moved to MIS Training System
- MIS Production System – Converted to Common Measures after close of business November 9<sup>th</sup> through November 12<sup>th</sup>

# Conversion of Data

All pending (not exited) TAA records with only waivers will be given a Participation date of the earliest Waiver Begin Date

# CONVERSION OF DATA

All WIA and TAA Exited records  
will have the Exit Date copied  
to the Temporary Exit Date

# **Conversion of Data**

**All WP records with Transaction Service Code “Referral to Job” will have a new field called Referral Result Date.**

**This is the date when the Result is a Placement or the End Date of the Activity when the Result is not a Placement.**

# **Conversion of Data**

All WIA (including Pre-WIA),  
Trade (including Pending) and  
Wagner-Peyser records that  
are 90 days old or more (based  
on Activity End Dates or  
Registration Dates) will be  
exited

# Conversion of Data

The Billboard is a new table that will display participation and other information pertaining to enrollments and the Exit Status of the record (Exited or when the record will be Exited)

# **Conversion of Data**

All Outcome data will be combined into a single table for both TAA and WIA (older records will maintain current data but in the new table)

# Code Conversion

Common Measures requires the name of some data fields to be common across all programs:

- Any WebDB queries that you created that use these fields will need to be updated
- Canned system queries using these fields will be updated by DLEG
